

A message from Mike Rann

I extend a warm welcome to all golfers who are taking part in the inaugural South Australian Amputee Golf Open.

I hope that you enjoy the wonderful facilities on offer at the Adelaide Shores Golf Park, and that the Open becomes a regular event on your annual golfing calendar.

As we saw during the recent Paralympic and Olympic Games in Beijing, sport provides a wonderful opportunity for people to not only compete and succeed, but to overcome obstacles in their path in order to realise their full potential.

In establishing the South Australian Amputee Golf Association, its founder and president Gary Hart has recognised the recreation and rehabilitation benefits that competitive sport can provide.

I am sure that the popularity and success of this tournament will continue to grow in the coming years.

For those players and supporters who are visiting Adelaide, I hope that you find the time to explore and experience the many attractions that our city, and South Australia, has to offer.

I also congratulate Gary and his team for their efforts in organising this event, and I wish all competitors the best of luck throughout the Open.
