South Australian Amputee Golf Association

PRESIDENTS MESSAGE

Hello and welcome to everyone,

It has been a long twelve months from the inception of the First Swing Golf Clinics in South Australia but we are finally here. By holding the first South Australian Amputee Golf Open I feel I have achieved one of my goals to introduce competitive golf to South Australian amputees/disabled.

I would like to congratulate all of the new South Australian participants, including the juniors. I hope you enjoy your new experience – I know you will meet many new friends and gain lots of insight from our more experienced amputees.

I extend a big, warm welcome to our overseas and interstate competitors and trust you enjoy our tournament and the friendliness of the South Australians.

A big thank you has to go to all of my sponsors and supporters. Without you all of this wouldn't have been possible.

A special thank you goes out to the volunteers who have so kindly donated their time to be a part of this special occasion. On behalf of the amputees we appreciate your efforts.

Mr Rann, Mr Wright, and Ms Lomax-Smith, thank you so much for supporting me and S.A.A.G.A.

In closing, I would like to thank my beautiful wife, Eleanor, for her ongoing support.

I wish everyone a great time and look forward to seeing you all again next year!
