

Sailability at Adelaide Sailing Club

In conjunction with S.A.A.G.A.
(South Australian Amputee Golf Association)

Welcome to the sailing season for 2009. Here are the Sailability dates for the summer season with a 12 midday start until 3 or 4 in the afternoon. Adelaide Sailing Club has two Access 3.03 two person dinghies, two Liberty Access dinghies and one 2.3 Access dinghy. Future sailors go out with an experienced sailor in the 2-person 3 metre dinghy and have one-on-one instruction; life jackets are provided. Family and friends are welcome to go out in the powered rescue craft to take photographs. All you need to bring with you is a light jacket, hat and sunscreen and a sense of humour! There is a hoist on the pontoon to transfer from your chair to the dinghy and shade on the upper deck to keep empty wheelchairs out of the sun. The Clubhouse is open for lunch and is fully accessible. Sailability is free for members of Sailability SA and there is a \$5 cost for casual sailors. Give Deirdre a call a couple of days before the date so we can ensure that you have plenty of time on the water. Her after hours number is 8373 0902 or mobile 0404 033 327.

SEE YOU ALL ON THE WATER

2009

Sunday 18th January

Sunday 15th February

Sunday 15th March

Sunday 5th April
